Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Paulding County Cadillac Wastewater Reroute Project in Fiscal Year 2026. The entity to receive funding for this project is Paulding County Board of Commissioners, located at 240 Constitution Blvd., Dallas, GA 30132. The funding would be used for rerouting approximately 40% of Paulding County's sanitary sewer flow away from key commercial and community areas to reduce the risk of hazardous material exposure to the public and environment. The project is an appropriate use of taxpayer funds because it protects public health by reducing the risk of sewer spills in populated areas, safeguards the environment from potential contamination, and will improve infrastructure efficiency.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Marjorie Taylor Greene
Member of Congress (GA-14)
