The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Biddy Road Well Design & Construction in Fiscal Year 2026. The entity to receive funding for this project is the Floyd County Board of Commissioners, located at 12 East Fourth Avenue, Suite 209, Rome, Georgia, 30161. The funding would be used to design and construct a water supply well. The project is an appropriate use of taxpayer funds because the well will allow Floyd County to provide drinking water to residents in the southeast part of the county where no public water is currently available.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marjorie Taylor Greene  
Member of Congress
