The Honorable Tom Cole  
Chairman

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Walker County Water and Sewage Authority Water Infrastructure Improvements project in Fiscal Year 2026. The entity to receive funding for this project is the Walker County Water and Sewage Authority located at 4655 Happy Valley Road, Flintstone, Georgia 30725. The funding would be used to expand water access, increase water capacity, and to improve water quality. The project is an appropriate use of taxpayer funds because it will provide safe, reliable drinking water to underserved communities currently dependent on private wells.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Marjorie Taylor Greene  
Member of Congress
