Dear Chairman Cole, Chairman Simpson, Ranking Member DeLauro, and Ranking Member Pingree,

I am requesting funding for the Northwest Cobb Water Reclamation Facility Headworks and Dewatering Replacement project in fiscal year 2025. The entity to receive funding for this project is the Cobb County Board of Commissioners located at 100 Cherokee St., Marietta GA 30060. The funding will be used to update and restore vital parts of the Cobb County water network. The project is an appropriate use of taxpayer funds because it allows for the county to more efficiently process wastewater.

This project has a Federal nexus because it is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Marjorie Taylor Greene
Member of Congress (GA-14)
