Dear Chairman Cole, Chairman Simpson, Ranking Member DeLauro, and Ranking Member Pingree,

I am requesting funding for the Rossville Sewer System Rehabilitation and/or Replacement Plan in fiscal year 2025. The entity to receive funding for this project is the City of Rossville located 400 McFarland Ave., Rossville, GA 30741. The funding will be used update or replace sewer and wastewater lines within the city. The project is an appropriate use of taxpayer funds because it will eliminate breaks while increasing wastewater capacity.

This project has a Federal nexus because it is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Marjorie Taylor Greene
Member of Congress (GA-14)
