Dear Chairman Cole, Chairman Simpson, Ranking Member DeLauro, and Ranking Member Pingree,

I am requesting funding for the Bidly Road Well Design & Construction project in fiscal year 2025. The entity to receive funding for this project is the Floyd County Board of Commissioners located at 12 East 4th Ave, Rome, GA 30161. The funding will be used to design and install a new water supply well capable of producing 2 million gallons of finished water per day. The project is an appropriate use of taxpayer funds because it allows for the county to meet the growing water demands and to meet the mandated standards of clean and safe drinking water.

This project has a Federal nexus because it is for the purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Marjorie Taylor Greene
Member of Congress (GA-14)
