

COMMITTEE ON OVERSIGHT AND ACCOUNTABILITY
COMMITTEE ON HOMELAND SECURITY

Congress of the United States
House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Dade County Raw Water Intake Screen in fiscal year 2024. The entity to receive funding for this project is the Dade County Water & Sewer Authority located at 250 Bond St., Trenton, GA 30752. The funding would be used for purchasing and installing a raw water intake screen. The project is an appropriate use of taxpayer funds because it is necessary to guarantee the sustainability and reliability of the Dade County Water & Sewer Authority to provide safe and clean water to its consumers.

This project has a Federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Marjorie Taylor Greene".

Member of Congress (GA-14)
